SAN CLEMENTE BY THE SEA — THE WORLD'S BEST CLIMATE **CALIFORNIA**

92672

August 23, 1966

TO WHOM IT MAY CONCERN:

At a meeting of the Board of Directors of this Chamber, this date, it was recommended that a current copy of the 1966 Coastal Area Directory, as published by this Chamber, be placed in the Time Capsule to be inserted in a rock at the beginning of construction of the Dana Point Harbor.

It was felt that this contained the maximum amount of information about San Clemente and the surrounding communities of Capistrano Beach, Dana Point, San Juan Capistrano and the toll free area of South Laguna.

It should prove to be an interesting comparison when the Time Capsule is re-opened in the future.

Respectfully submitted by,

Quar L. Buena Pres.
