Rock Placing Ceremony Chairman  
Dana Point Yacht Harbor  
Dana Point, California

Dear Sir:

The Exchange Club of Laguna Beach is pleased to be invited to the Rock Placing Ceremony and sealing of documents in the time capsule. We would be pleased to have our Exchange Club Covenant of Service enclosed in this capsule so that civic organizations fifty years from now will recognize the good that came from American organizations such as ours.

The Exchange Club is the oldest national service club in America, with the first meetings being held in Dayton, Ohio in the year 1911. The object of the Exchange Club is the uplifting of social, religious, political and business ideals so that our great American heritage can continue.

Our local Club was chartered in 1952 with Mr. Stanley C. Allen as President. The Exchange Club of Laguna Beach is responsible for civic achievement to our schools, to our police department through our crime prevention projects, to our community by presentation of our Freedom Shrines which are on public display at Laguna Federal Savings and Knott's Berry Farm Independence Hall, plus many other local and national projects that have made our Country a better place in which to live. The attached Exchange Club Covenant of Service, with our motto "Unity for Service" tells what our members stand for and it is signed by our present officers.

In reading this letter in the year 2016, there will be many volumes to be added to the accomplishments of The Exchange Club and we are all proud to have been a small part of this great organization.

Sincerely,

THE EXCHANGE CLUB OF LAGUNA BEACH

*Harvey L. Tedford*
