The wings pointed upward are symbolic of the

## A LETTER TO THE MEMBERS

Dear Friends:

It is almost three months now since I asked you to accept the challenge of a new club year with me. My hope was that we might work together creatively and harmoniously to the strains of "The Key Is Love".

With that in mind as our new year unfolds, I should like most of all to challenge you to creativity. It might well prove to be one of our 'Key' tools. Creativity is a quality of imagination that is surprisingly different from either learning or intelligence; we may not be able to do the conventional creative things like writing, painting and other arts, but in other areas we can be original, novel, ingenious, unexpected and inventive. We should never stop cultivating our creativity.

Someone has said "Whoever I am or Whatever I am doing - some kind of excellence is within my reach".

As Club women, we have the openness to new experience, to fresh ideas. Conversation, clothes and people, these are the essence of creativity, through any one of these we can attain excellence. As we all work together, one of the most important things we create is friendship. So cultivate your creativity - your club will benefit and you will benefit. and remember. as it is with all friends, "The Key Is Love".

Sincerely,

*Almeda Wright*

### A COLLECT FOR CLUB WOMEN

Keep us, O God, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward and unafraid.

Grant that we may realize it is the little things that create differences; that in the big things of life we are at one.

And may we strive to touch and know the great common human heart of us all, and O Lord God, let us not forget to be kind!

### THE STAR SPANGLED BANNER

Oh! say can you see by the dawn's early light,  
What so proudly we hail at the twilight's last gleaming?  
Whose broad stripes and bright stars through the perilous fight,

O'er the ramparts we watched were so gallantly streaming?  
And the rockets red glare, the bomb bursting in air  
Gave proof through the night that our flag was still there!  
Oh! say does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave?

Oh! thus be it ever, when free men shall stand,  
Between their loved home and war's desolation;  
Blest with victory and peace, may the Heaven-rescued land  
praise the power that made and preserved us a nation.

Then conquer we must, when our cause it is just,  
And this be our motto, "In God is our trust"  
And the star-spangled banner in triumph shall wave  
O'er the land of the free and the home of the brave.

Francis Scott Key
